Nepal Ultra light flight - 0 Days

Nepal ultra light flight takes off from the beautiful Pokhara city and offers the magnificent views of Himalayan ranges, lakes, settlements and valleys. Ultra-light is a very small engine powered aircraft without windows consisting only two seats, one for pilot and another for passenger. It is specifically made to fly close to the mountains. The best season to go for these ultra flights is during the early spring. This short an hour flight can be the unforgettable experience inyour life.

Nepal ultra light flight is the unique, safe and the probably the best way to fly in the clear sky. Sit back, relax and enjoy the spectacular views of Pokhara city along with the glorious Himalayan ranges, the perfect recreation activity in Nepal.
